

Maze and Coloring Activity

Can you help The Very Hungry Caterpillar™ find the Nugget?

START

FINISH

The maze is a rectangular grid with various paths. At the top left, there is a large apple. In the middle, there is a strawberry. In the center, there is a sandwich with a caterpillar on it. At the bottom right, there is a nugget. The caterpillar is at the bottom left, and the finish is at the top right. The path leads from the caterpillar, through the strawberry, then through the sandwich, and finally to the nugget.
