

9W LED Bulkhead Standard & PIR Bulkhead

Suitable for both indoor and outdoor use, our 9W Bulkhead Standard and PIR Bulkheads are a unique lighting system for your home or business.

With an IP65 rating, our product is waterproof and dustproof. The polycarbonate body and flame-retardant diffuser have a high mechanical strength, anti-impact grade that can reach IK10 and follow the stipulations of EN60598-1 & EN60598-2-1.

For those who opt for the Passive Infrared (PIR) Bulkhead, during the day, the built-in PIR sensor saves electricity by deactivating the bulkhead. At night, however, the motion sensor turns on the bulkhead when it detects movement within its six-metre coverage area, providing 700 lumens of light when activated.

Available with Black or White finishes and in Standard or PIR versions.

Specification

Product	9W Bulkhead
Lumens	700lm
CRI	> 80
Number of LED's	44
IP Rating	IP65
IK Rating	IK10
Voltage	180 – 240V 50/60Hz
Power Factor	PF: >0.5
Lamp Size	265 x 115 x 91mm
Material	Polycarbonate

Product	Code	Energy Saving
9w Standard Bulkhead Black	SLL9WBB	85%
9w Standard Bulkhead White	SLL9WBW	85%
