

UFO High Bay Light

The THOR range of UFO highbays are the preferred source of light for modern day commercial and industrial spaces, such as garages, warehouses, workshops, or any other harsh environments that are subject to impact and humidity.

A premium, low maintenance Luminaire, these fitting are designed with a high-quality aluminium diecasting, DUPONT powder painting process. The aerodynamic design is crucial to assist with heat dissipation, allowing temperatures to remain constant and low, thus increasing lifespan, and providing higher lumen efficiency.

The Thor UFO highbays have a light efficiency of 145lm/w and have the capability to host both emergency packs and lighting controls.

Specification

Wattages:	100w, 150w, 200w
Lumens Per Watt:	145 LMW
Colour Temperature:	5000K
LED Chips:	SMD3030
LED Driver:	SOSCEN-C series driver
Working Voltage:	AC100-277V
Beam Angle:	120
IP Rating:	IP65
IK Rating:	IK10
Warranty:	5 Years
THD:	<15%
Surge current:	65A
Anti-surge voltage:	6000V

Dimension:mm(in)

60-100W

150-200W

Product	Code
100w THOR UFO	SLL100HBP
150w THOR UFO	SLL150HBP
200w THOR UFO	SLL200HBP
