

1. Cut all of the pieces out of desired card stock.

2. Line up and adhere the chimney piece behind the main house piece. Adhere the house detail piece and the chimney detail piece in place.

3. Line up and adhere the frosting roofline and chimney pieces to the house. Next, line up and adhere the door and window frame pieces. Adhere the doorknob to the door piece. Optionally, cut the window pieces from a second color of card stock (light blue in the example) and inlay the window pane pieces in the window frame pieces.

4. Line up and adhere the candy pieces to the frosting roofline and chimney pieces. Assemble the candy canes and adhere in place on either side of the door piece.

5. Assemble the lollipops and gingerbread and adhere the lollipop, gingerbread, and gumdrop pieces in place to finish.
