CORE RETURN POLICY (as of January 1, 2024)

All cores must be returned within **30 days of purchase for a full refund**. Cores must be accompanied with **CORE RETURN FORM** and copy of invoice that shows the core charge. It is the customer’s responsibility to contact Western Turbo if a core time limit extension is required. Cores must be returned in the box that the new part arrived in.

Cores received 90 days after date of purchase will not be accepted and the core charge will **no longer be refundable**. For your convenience we offer after-hours lock boxes.

Core returned without required paperwork, packaging or after 30 days is subject to an **administrative fee of \$10.00 per invoice**.

Shipping of cores for core return is the customer’s responsibility.

**Please note – Some cores are subject to being graded which will determine the core refund amount.*
