Options

Packaging

Packaging made up of shrink wrap and edge protectors.

The packaging comes along with the design. We always optimize it, so that it takes up as little space as possible and it is easy to carry it, avoiding the use of unnecessary packing material.

Sustainability

Our design is responsible as we minimize the impact of industrial activity, optimizing the entire field of design and production.

Every Fama products are PFCs Free.

At Fama Sofas, we recycle 99,9% of residue and waste, following the environmental policy of our company.

KIM is manufactured by Fama Sofas, whose quality system is certified by AENOR and IQNET according to the ISO 9001-2015 standards, with the certificate number ES-0790/1999. In addition to the Environmental Management Certificate according to ISO 14001-2019.

All models have passed the tests required for granting the quality control label from Aidima-Cetem laboratories.
