

Father's Day 2023 Cutter Release

Cookie Decorating Collages

Hello and Happy Decorating!

This document contains a collage with the decorating steps from the Father's Day 2023 Cookie Cutter release. I hope this is helpful as you decorate these cookies!

Each Collage shows a feature photo and then the step-by-step process photos.

I have provided a list of the icing colors used in each set's palette. Unless otherwise noted, royal icing colors are used in both a piping and flooding icing consistency. I used a tip #2 on the piping bags for outlines and details. If I used a different tip, I made a note on the collage page!
