Mother's Day 2023 Cutter Release

Cookie Decorating Collages

Hello and Happy Decorating!

This document contains a collage with the decorating steps from the Mother's Day 2023 Cookie Cutter release. I hope this is helpful as you decorate these cookies!

Each Collage shows a feature photo and then the step-by-step process photos. I did not include collages for the mini spa cookies because the decorating steps are similar to the regular sized cookies. I hope you can use those cookie photos as a guide.

I have provided a list of the icing colors used in each set's palette. Unless otherwise noted, royal icing colors are used in both a piping and flooding icing consistency. I used a tip #2 on the piping bags for outlines and details. If I used a different tip, I made a note on the collage page!

Find a template for the Mama Bear and Slippers on the last page! A digital version of these templates are also available on their cutter product page.

Trophy

Icing Colors: Gold (two shades), Black (pipe only), White (flood only), Buckeye Brown

The stencil featured is called 'Best Mom Ever'. This cookie fits in the 5" clear box.

Mama Bear

I used PME tip #1 to pipe the sunglasses and piping the text. Find a template for the bear on the last page of this guide. This cookie fits in the 4" clear box.

Icing Colors: Super Red, Buckeye Brown, Rose Pink (flood only), White (pipe only), Black, Gray (a dot of black), and Ivory (20-second icing).

Queen Bee

I blushed the cheeks using a round brush and pink Crystal Color. I used a PME tip #1 for the small smile and eyelashes. This cookie fits in a 4" clear box.

Icing Colors: White, Black, Lemon Yellow, Gold, and Sky Blue (pipe only)

Spa Girl

I used a black and red food marker for the eyelashes and lips. I painted the earrings gold using Color Solution + Sugar Art Gold.

Spa SET Icing Colors: Sienna, White, Mint Green (20-second icing), Purple, Turquoise, and Rose Pink (pastel)
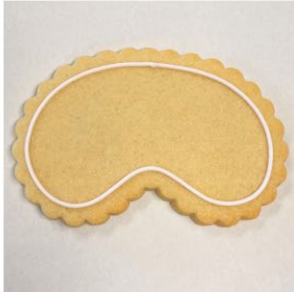

Slippers

I used a brush for the texture on the slippers. I used a PME #1.5 for the small, piped detail.

Folded Robe

I used a brush for the terrycloth on the robe. I created the monogram online. I used a projector and tip #1 to pipe it. Then I painted it gold using the Color Solution and SugarArt gold.

Face Mask

I used the narrow stripes stencil on the mask. I mixed pearl with pink to get the pastel airbrush color.

Nail File

I used white sanding sugar to create the texture on the nail file.
