ASSEMBLING THE BUTTERFLIES

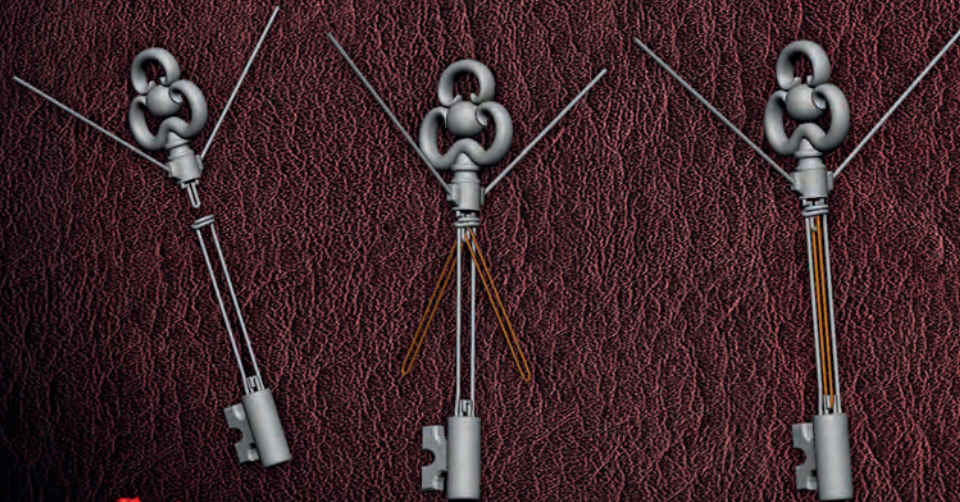

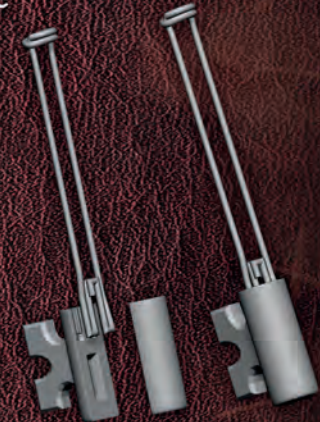

1. Bend the wire following the pattern provided

2. connect the top part of the key to the first wire

3. Repeat the operation for the bottom part

4. insert the top part into the bottom part and the rubber band inside the loop of the top and bottom parts

5. Glue the wings using the flaps on both sides and clip the wire if necessary

6. Twist to wind up the key and release

ASSEMBLING THE FLOWERS

1. connect petals to the hinges

2. It's easier to break it down into 2 halves and then assemble them

3. Put the petals on the base

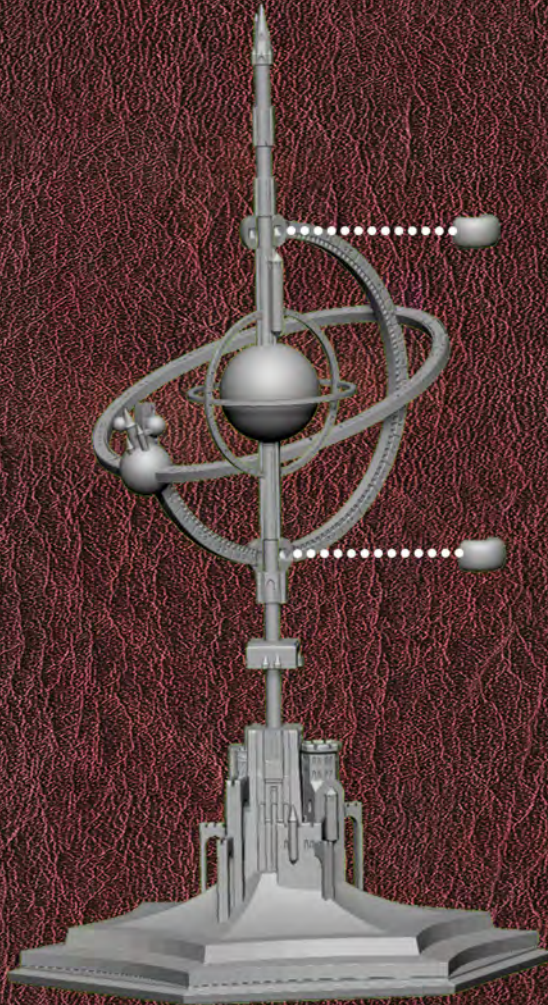

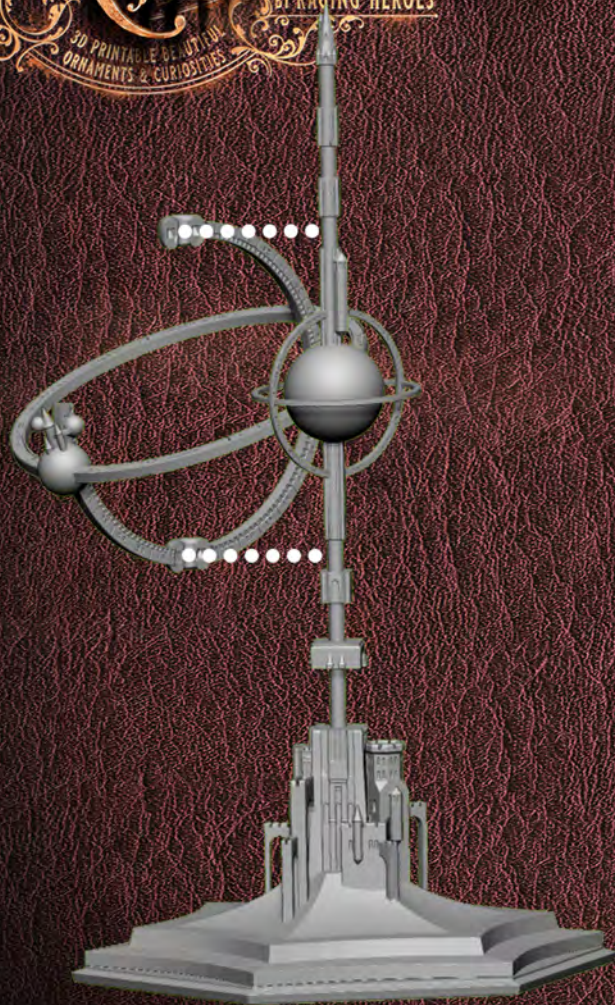

4. Add the ring

Rotating the wing will open the petals
