

REDCHURCH

BREWERY

THANK YOU FOR BOOKING A TOUR

We are doing everything that we can to make sure that we keep you and our team safe on your guided tour!

SOCIAL DISTANCING

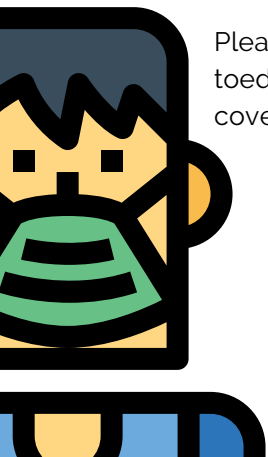

We have measures in place to make sure we adhere to social distancing guidelines where possible. We have reduced the size of our tours, to ensure we keep members of separate households 2m apart at all times

WE MAKE SURE WE ARE WELL. PLEASE MAKE SURE YOU ARE ALSO!

Our brewery is a production site, we need to make sure you are fit and well before visiting. If you are suffering from any symptoms of COVID19 the please contact us for a reschedule or full refund and do not attempt to visit. as this could seriously effect our work place.

DRESS THE PART

Please arrive with a face mask & no open toed footwear. We will provide you will shoe coverings upon arrival.

WE ARE CLEAN!!!! (PROMISE)

We have increased our cleaning frequency on all hand contact points including tables, chairs, door handles and hand rails. We have multiple hand sanitising points, complimentary masks and plastic overshoes

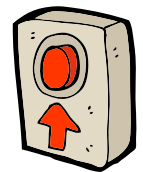

PLEASE DO NOT TOUCH

UNLESS ITS A BEER!

Please do not touch anything on the tour without the permission of the tour guide. Brewing equipment may be HOT and machinery may be active.

UPON ARRIVAL

RING THE BUZZER

Please wait outside until one of our team members comes down to let you safely into the building.

HAVE A BEER AND HAVE FUN!

We will provide everyone with their own plastic cups to use whilst tasting/drinking their beer. Normally we would use our glassware but due to COVID it is safer for everyone in this unusual situation to use single use plastic.
