

Our *Key* Ingredients

Up to five key ingredients can be added to each product.
Have fun putting your formulator's hat on and getting creative!

All 50 ingredients can be mixed and matched.

**You can read through list of our key ingredients,
and their benefits, on the following pages.**

Fruit Extracts & Oils

	Ingredient	Skin Type	Benefits
	Apple	All Skin Types Mature Problematic	Apple which is rich in vitamin C and A, helps build healthy skin tissue and nourishes the skin
	Blueberry	All Skin Types Mature Dull	Blueberry which is naturally rich in vitamin A, is an antioxidant, brightens the skin and strengthens blood vessels just below the surface of the skin
	Goji Berry	All Skin Types Mature Damaged	Goji Berries which heal sun damaged skin, are rich in antioxidants, reduce the appearance of scars, have anti-ageing properties and reduce the appearance of wrinkles.
	Guava	All Skin Types Mature	Guava is very rich in Vitamin A, B & C. Through moisture retaining B vitamins, Guava is a valuable component for anti-ageing skin care as it helps prevent the oxidation process of the cell.
	Papaya	All Skin Types Oily Problematic Mature Dry	Papaya which is exfoliating, repairing and hydrating, reduces the appearance of wrinkles, regulates collagen production, evens skin tone, removes dead skin and provides hydration
	Passionfruit	All Skin Types Sensitive Mature	Passionfruit is high in Vitamin A & C and Anti-oxidants. Soothes, nourishes and conditions the skin.
	Pineapple	All Skin Types Oily / Problem Mature Sensitive	Pineapple which removes dead skin cells, soothes sensitive and inflamed skin and is anti-inflammatory
	Pomegranate	All Skin Types Mature Problematic Dry	Pomegranate which gently exfoliates, detoxifies, moisturises and contains anti-ageing properties
	Strawberry	All Skin Types Oily Large Pores Problematic	Strawberry which is rich in vitamin C, removes excess sebum on the skin and lightens blemishes and acne scars. Helps to shrink pores
	Watermelon	All Skin Types Mature	Watermelon is rich in Vitamin A, B & C and Amino Acids. It is a potent anti-oxidant and has anti-ageing benefits.

High Performance Active Ingredients

	Ingredient	Skin Type	Benefits
	Acai Stem Cells	Mature	Our acai stem cells have anti-ageing, anti-wrinkle and anti-oxidant benefits while also enhancing cellular metabolism
	Agave Stem Cells	Mature	A natural and sustainable way to use plant stem cells for skincare use. Anti-oxidant and anti-ageing benefits while also enhancing cellular metabolism
	Collagen	Mature	Our marine based collagen, sourced from seaweed helps promotes elasticity, moisturises and reduces the appearance of wrinkles and fine lines
	Eucalyptus Stem Cells	Oily Problematic	A unique Australian stem cell helps to purify the skin by assisting in the elimination of toxins and cellular wastes, decreasing oxidised oils on the skins surface
	Hyaluronic Acid	All Skin Types Dry Dehydrated Mature	Hyaluronic Acid is hydrating & moisturising, assists in the production of collagen, helps the skin look plump, smooth, hydrated, firm and elastic. HA has anti-bacterial properties, helps to protect the skin from environmental exposure, aids in water retention and encourages skin cell renewal.
	Niacinamide	Oily Problematic Pigmented	Niacinamide (Vitamin B3) balances oil flow, reduces redness, decreases pigmentation and evens skin tone and colour
	Seabuckthorn Berry	All Skin Types Mature	High in Vitamin B1, B2, A & C. Seabuckthorn Berry has the highest level of Omega 7 fatty acid, excellent for skin repair.
	Vegan Peptide	Mature	Our vegan peptide sourced from rice proteins, helps to encourage collagen production, reduce fine lines and smooth the skins texture
	Vitamin C	All Skin Types Dull Mature Problematic Blemished	We use Sodium Ascorbyl Phosphate as the Vitamin C which is more stable. Vitamin C boosts the skin's production of collagen, helps to reduce the impacts of ageing, plumps the skin and smooths out fine lines and wrinkles. This type of Vitamin C also helps with acne and problem skins
	White Willow Bark	Oily Problematic	White Willow Bark (Salicylic Acid) which exfoliates the skin, removes dead skin cells and clears pores

Crystal Alchemy Tinctures

	Ingredient	Skin Type	Benefits
	Amethyst	Third Eye and Crown Chakra	<ul style="list-style-type: none"> • Enhances Intuition • Brings harmony, clarity & balance • Inner peace and calming • Aids in connecting to the spiritual world

Australian Native Extracts

	Ingredient	Skin Type	Benefits
	Davidson Plum	All Skin Types Mature Dry/Dehydrated	Davidson's Plum is high in the anthocyanin group of anti-oxidants and polysaccharides which provide anti-ageing benefits and significant hydration for the skin.
	Desert Lime	All Skin Types Mature Dry/Dehydrated Combination	Desert Lime which is high in vitamin C, a powerful antioxidant, helps to rejuvenate the skin, enhances skin firmness and evens out skin tone.
	Emu Apple	All Skin Types Mature Dry/Dehydrated	Wild Harvested Emu Apple is packed with 9 individually powerful phyto-active compounds, their synergism makes it a broad, all-round super extract to include into serums and moisturisers. Fights free radical damage.
	Finger Lime	All Skin Types Mature Dry/Dehydrated	Also known as Lime Caviar. Finger Limes have tiny juice pearls that release a range of potent phyto-active compounds including natural Vitamin C. Harvested from a delicate rainforest tree native to the Northern Rivers region of NSW
	Kakadu Plum	All Skin Types Mature Oily Problematic Dry/Dehydrated	Kakadu Plum is antibacterial, hydrating, full of antioxidants, minerals and vitamins that reduce the likelihood of blemishes. The Kakadu Plum fruit has the highest known Vitamin C concentration of any single natural food source in the world.
	Kangaroo Paw Flower	All Skin Types Mature Sensitive	This wild-harvested ingredient helps to cool, hydrate and repair skin tissues. Anti-ageing.
	Lemon Aspen	All Skin Types Mature Sensitive	Also known as Rainforest Lemon, this Australian Native extract repairs, helps reduce inflammation and assists in brightening the skin.
	Lilly Pilly	All Skin Types Mature Dull	Lilly Pilly which contains high levels of vitamin C, brightens the skin, improves the firmness of skin and contains anti-ageing properties.
	Native Snowflower	All Skin Types Pigmented Damaged Dull	Native Snowflower which is an antioxidant and anti-inflammatory, reduces pigmentation and sunspots and enhances the brightness of the skin.
	Quandong	All Skin Types Mature Problematic Congested Dry/Dehydrated	Quandong (Native Peach) which behaves like an AHA (Alpha Hydroxy Acid) and exfoliates, provides a rich source of vitamin E, folate, magnesium and calcium, reduces inflammation and hydrates the skin.

Herbal Plant Extracts & Oils

	Ingredient	Skin Type	Benefits
	Aloe Vera	All Skin Types Sensitive Dry/Dehydrated Oily	Aloe Vera is famous for its healing and soothing properties. A perfect addition for any products targeting sensitive skins
