- Black painted aluminum flashing looks great on any roof
- 8-inch x 10-inch flashings will easily slide under shingles
- Raised section diverts water around puck
- Stainless-steel and rubber sealing washers to fit 5/16-inch bolts are included
- Meets or exceeds roofing industry best practice
- QR Code below links to installation video

**Aluminum Standoffs**<br>Sold in packs of 8

- 90217 - 12-inch Standoff
- 90170 - 4.5-inch Standoff
- 90194 - 3.0-inch Standoff

- Standoffs can be used with the Standoff Base Kit and with the Deck Mount.
- Standoffs can be threaded together to make other lengths.
- L-foot mounts to 5/16-inch stud on top of Standoff.
