Intumescent Letter Box Units

Description:

A unique Intumescent Letter Box System, that offers up to one hour protection. The System comprises a letter box flap, including a smoke seal and an intumescent liner that lines the door aperture. Optional extras include a rear smoke flap or a unique security hood for areas vulnerable to break in.

The Letter Box Unit is designed to fit three aperture sizes;

REFERENCE	OPENING SIZE	OVERALL SIZE
L1 - L4	50 x 267	70 x 315
L6 - L8	69 x 290	100 x 335

Colour:

Available in a range of colours and finishes including Brown, White, Stainless Steel and Brass

Application:

Insert the Letter Box Unit into the hole and fix with screws supplied; insert the liner to finish and then fix with double sided tape and pins supplied.

For Internal Flaps / Security Hoods, align with the external flap and fix with screws supplied.
