Surface-Mounted Brush Smoke Seal

Description:

Surface-mounted black, brown, grey, or white brush smoke seals. Can be supplied either with or without polypropylene blade and with or without self-adhesive backing. 1050mm lengths or supplied in rolls up to 200m long. Backing 4.8mm

Application:

To fit the self-adhesive seal, simply peel off the backing material to reveal the adhesive tape and press to the door frame down the edge of the rebate. Secure with the panel pins supplied by fixing at each end and then at 300mm intervals along the length of the seal. Brush seals without self-adhesive backing can be fitted into draught seal holders.
