

# ENVIROGRAF

## I R E L A N D

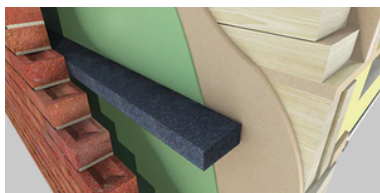

## Fire protection products for: **CONSULTANTS & ENGINEERS**

### Why choose Envirograf Ireland?

#### **Traceable:**

We are the all Ireland Agent for all envirograf products, providing traceability from procurement to supply.

#### **Technical Support and aftercare:**

As the only all Ireland agent we can provide technical support on all of our products, with 20 years of experience using them backing up our knowledge base

#### **Accountable:**

Don't take the risk - Engage a specialist! All products conform to Fire safety regulations E and B (NI) and B & D (ROI). We pride ourselves on integrity with rigorous product testing.

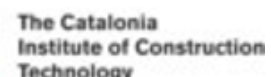

#### **Experienced:**

Over 30 years experience in the building trade. 20 years specialising in fire protection along with experience in upgrading historic buildings.

#### **The bottom line:**

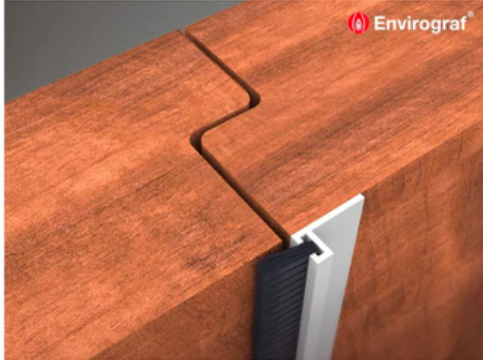

Envirograf Ireland customers benefit from preferential rates on materials as well as certificate of supply. We can also recommend Envirograf approved installer for all your installation and certification needs.
