

ENVIROGRAF IRELAND

Fire protection products for: **PAINTERS AND DECORATORS**

Why choose Envirograf Ireland?

Traceable:

We are the all Ireland Agent for all envirograf products, providing traceability from procurement to supply.

Technical Support and aftercare:

As the only all Ireland agent we can provide technical support on all of our products, with 20 years of experience using them backing up our knowledge base

Accountable:

Don't take the risk - Engage a specialist! All products conform to Fire safety regulations E and B (NI) and B & D (ROI). We pride ourselves on integrity with rigorous product testing.

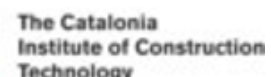

Experienced:

Over 30 years experience in the building trade. 20 years specialising in fire protection along with experience in upgrading historic buildings.

The bottom line:

Envirograf Ireland customers benefit from preferential rates on materials as well as certificate of supply. We can also recommend Envirograf approved installers for all your installation and certification needs.
