Freshly Decorated Cookie-Cakes,
FREE OF ARTIFICIAL PRESERVATIVES
SHIPPED FROZEN AND PACKED WITH CARE
FOR 'SAFE FOOD DELIVERY'**

SHIPPED FROZEN!

As a recipe developer for over 50 years, I know that when a recipe is changed to meet climate conditions that recipe is not 'stable' and will not taste the same when alterations are made, therefore the quality, composition, shelf life and especially taste can be greatly diminished creating a loss of quality control.
