

## Videojet® 1000 Series Inks

Freedom. That is what IIMAK is offering with the Videojet® 1000 Series fluids product line.

You now have the freedom to choose an alternative vendor for inks, make-ups, and cleaner. IIMAK presents a high quality, low cost option:

- More value for your dollar: IIMAK's cartridges offer 200ml more ink than the OEM. Less down time, less waste.
- Ideal for alphanumeric text, graphics, and barcodes.
- "Pour over" replacement inks and solvents. Simply replace the current cartridge with an IIMAK one when the printer calls for fluids. No flushing required.
- Lower cost alternative: save up to 40% on Videojet® replacement inks.
- Compatible with printer models: 1220, 1520, 1550, 1550, 1610, 1660, 1710.
- Keep your printers up and running with our fully compatible Videojet® fluids, proven in coding and marking applications for over 10 years.
- IIMAK also offers replacement parts for your printers. Yet another risk-free cost reduction opportunity.
- 100% satisfaction guaranteed.
