05. Snow Owl, Porcelain Jewellery. The glistening eyes of the mysterious white owl, was all you could see at night. Rainbow-hued pools of shimmering flecks, was a magical treat to sight. **06. Volto Mask, Porcelain Jewellery.** Gilded with twenty-four carat gold, the flying fish was her spirit animal. Her guide. Detaching itself from the porcelain mask, it came alive when she put it on; flying ahead in the distance, illuminating the landscape, showing her the way. **07. Tribal Mask, Porcelain Jewellery.** Magic chanting, ceremonial dancing, drums beating. Upon wearing the mask, they entered a dreamlike state. "They had a soul of their own; with glistening eyes and mystical ways. Which came alive when adorned; that teleports you to a world unknown." **08. Butterfly, Porcelain Jewellery.** She blew on the wings of the butterfly, watching as the gold lines came alive. Rubbing them softly, she could feel the silken wings tremble under her fingers. Waking up from its slumber; the butterfly fluttered around, finally coming to rest on her. **09. Twilly the Bird, Porcelain Figurines.** Chirpy. Petite. Playful. Flitting around in haphazard patterns as though they lived in a world of stop motion. Leaving a spot of sunshine wherever they went. **10. Oyster Bowl, Porcelain Tableware.** Organic silhouettes in soft opalescent hues, inspired by the ocean and marine life. Perfect for soup, cereal or cradling warm noodle broth on a cold rainy day. **11. Covetable Curiosities, Porcelain Jewellery Collection.**
