## FINISHING TOUCHES

The textile space for interior design and home decor is looking up for inspiration from **Alhambra's** all new furnishing fabrics collection in association with **RR Decor**. The contrasts in black and white emphasises on form where fabrics are designed with a set-square.

## IMAGINATIVE COLLECTIONS

**Midori Collective**, an online boutique for handmade wearable art objects is raising eyebrows through its curated ensemble of collectible art and design, expressed in different forms and medium. The brand offers jewellery, label pins, figurines and tableware.

## HOME TRUTHS

**Hermosa Design Studio**, a one-stop shop for decor and furnishings, offers home decor essentials such as 3D wall art, woven baskets, geometric-themed wallpapers and rugs, bamboo lights, terracotta bottle sets, agathe candle sets and lot more.

## SOURCE OF LIGHT

**Jaquar Lighting** introduces the designer range of filament lights, which are inspired by the best of global trends. The decorative lighting collection is crafted in an impressive way using various designs and strikingly unique shapes, and the abstract design reflects extravagance through its structure and confidence through its hues.
