Ring Sizer Guide

This guide will help you to determine the right size of your ring. Please use an existing ring with a similar band width and style to the one you want to buy for a greatest accuracy.
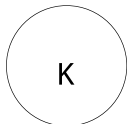

Step 1
Print this page in actual size if you don't have the option
actual size, then print in 100%. Make sure that scale is
set to ´none`on the printing dialogue box.

Step 2
Using the size chart measure your ring by simply placing it
on the ring sketch below and match the inside edge of the
ring to the closest ring size.

Step 3
Once you have proceed with Step 2 choose the size that fits
best - it is your ring size. In case the ring falls between two
sizes, it is better to choose bigger one.
