HELP IN A HURRY

1-hour session for puppies, new rescues and adults: \$85/session

30-minute session for adult dogs only: \$45/session

2-session limit

Puppy crying all night? New rescue having trouble adjusting? Adult dog still acting out? Some problems just can't wait, and that's why we offer one-on-one short-term sessions for pets of any age. However, to make sure puppies and recues get the extra attention they need, we do schedule them for 60-minute sessions only. Please note: These sessions are not appropriate for aggressive or highly reactive dogs. Please contact the store to schedule an appointment.

Schedules are subject to change, please call the store for the most up-to-date information.
