WARRANTY & SUPPORT

Equity provides a 2-year limited warranty on this product from the date of consumer purchase against defects for material and workmanship. During this period such defects will be repaired, or the product will be replaced at Equity's option, without charge. This warranty does not cover damage caused by misuse or negligence.

ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OR FITNESS AND MERCHANTABILITY, ARE LIMITED IN DURATION TO A PERIOD ENDING TWO YEARS FROM DATE OF PURCHASE.

Some states do not allow limitations on how long an implied warranty lasts so the above limitation may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

If your product is not working properly, please send: your product, a letter explaining the problem, and \$5.00 for postage and handling to:

Equity by La Crosse Warranty Department
2830 26th St S.
La Crosse, WI 54601

MAINTENANCE AND STORAGE

Store the clock without battery and use the original package when not in use. Clean with a soft cloth or paper towel. Do not use any corrosive cleaners on the clock. Keep your clock clean and dry to avoid any problems.

Remove battery from the clock if you do not intend to use it for an extended period of time. Removed used batteries promptly.

For best performance, it is recommended to replace the battery once per year to maintain running accuracy. Ensure the battery used is new and the correct size.

Please help in the preservation of the environment and return used batteries to an authorized depot. Remove the battery from the clock if you do not intend to use it for an extended period of time.
WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

CAUTION!

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
