wakeup light and color changing light time and alarm running.

### Startup

**Step 1:** Insert the 5.5 volt AC cord into the wall then into the back of the clock.

**Step 2:** Insert 3 "AAA" Alkaline batteries (not included) according to polarity.

**Note:** If the AC power is interrupted, the backlight, will not function. The battery backup will keep the

### Set Time, 12/24, & Snooze Duration

- Press the **SET** button to move through the settings menu and confirm an adjustment.
- Press the **▲** & **▼** buttons to adjust a value.
- **Hold** the **▲** & **▼** buttons to adjust values quickly.

1. Press the SET button.
2. The Hours and Minutes will flash together.
3. **Hold** the **▲** or **▼** buttons to scroll through the minutes and hours quickly until the correct time is set.
4. The PM indicator will show for times after 11:59AM.

#### Settings order:

1. Time (Hours and Minutes flash together)
2. 12/24 hour format
3. Snooze duration (5 minutes to 60 minutes)

When no buttons are pressed for 10 seconds the clock will return to normal time display.

### Nature Sounds

Nature sounds can be used for the time alarms (1 & 2), sleep function and the nap function. Wake up to the sounds or drift off to sleep with the sounds playing for a preset time.

#### Preview the sounds:

- Press the **SOUND** button repeatedly to scroll through  and hear the following sounds:
  - N1** Morning birds
  - N2** Forest
  - N3** Waterfront
  - N4** Rain storm
  - OFF**
- When a nature sound is being played, adjust the **volume** with the **▲** or **▼** button.
  - U01** = Low Volume
  - U02** = Medium Volume (default)
  - U03** = High Volume
- Hold** the **SOUND** button to turn the sounds off. Alternatively, press and release the **SOUND** button several times until the word **OFF** appears.

### Color Changing Mood Lights (alternating or steady)

- Press the **Zz** button once to turn on the mood lights.
- Use the **▲** or **▼** buttons to adjust the brightness. (L00 to L15)
- Press the **Zz** button again to turn on the color changing feature. The mood light colors will begin to alternate. (Blue, green, purple, white, red, and orange)
- Press the **Zz** button to stay on one color.
- Press the **Zz** button to turn off color changing mood light.

### Set and Activate Alarm Time and Wake-up Sounds

Set the individual Alarm Time, then set the Wake-up Sounds from the **OFF** display.

- Press the **ALM 1•2** button to move through the settings menu and confirm an adjustment.
- Press the **▲** & **▼** buttons to adjust a value.
- Hold** the **▲** & **▼** buttons to adjust values quickly.

**Note:** Hours and Minutes flash together

#### Settings order:

- Alarm 1 Time (1 will display)
- Alarm 1 Wake-up Sound
- Alarm 2 Time (2 will display)
- Alarm 2 Wake-up Sound

When no buttons are pressed for 10 seconds the clock will return to normal time display

Alarm 1 (wake-by-nature sound) is activated

Alarm 2 (wake-by-buzzer) is activated

Icon	Code	Wake Sound
	<b>bu</b>	Beep
	<b>N1</b>	Bird
	<b>N2</b>	Forest
	<b>N3</b>	Waterfront
	<b>N4</b>	Rain/Storm
	<b>OFF</b>	Alarm Off

### Alarm Volume

When alarm 1 or alarm 2 sounds, press the **▲** or **▼/NAP** button to adjust the alarm volume.

- U01** = Low Volume
- U02** = Medium Volume (default)
- U03** = High Volume

### Snooze Operation

- When alarm 1 or alarm 2 sounds, press the **Zz** button once to silence the alarm for the snooze duration previously set (default 5 minutes).
- The snooze icon **Zz** and the appropriate alarm icon will flash.
- The snooze function can be repeated.

**Note:** When both alarms are set and one alarm is in snooze mode, the second alarm will override the first alarm. The first alarm is then reset to come on again the next day.

### Stop Alarm for 24-hours

- When the alarm 1 or alarm 2 sounds, press the **ALM 1•2**, **SLEEP** or **SOUND** button to silence the alarm for 24-hours.
- The alarm icon will remain on the display.

### Turn Alarm Off Permanently

1. Press the **ALM 1•2** button twice to view the sounds for alarm 1. Use the ▲ or ▼ button to select OFF. Alarm 1 is permanently off.
2. Press the **ALM 1•2** button twice more to view the alarm sounds for alarm 2. Use the ▲ or ▼ arrow button to select OFF. Alarm 2 is permanently off.
3. No alarm icons are displayed.

### Wake-up Light Function (before alarm sounds)

The wake-up light feature gradually turns on the side lights, 15 or 30 minutes before the alarm sounds.

1. From the time display hold the **Zz** button until the word OFF flashes.
2. Use the ▲ or ▼ arrow buttons to select wakeup light time:
  - **15**: lights gradually 15 minutes before the alarm sounds.
  - **30**: lights gradually 30 minutes before the alarm sounds.
  - **OFF**: wakeup light feature is turned off.

### Sleep Function

The sleep function provides background sound and/or light for a set period to help you go to sleep. Select 5, 10, 15, 30, 45, 60, 75 or 90 minutes.

1. Press the **SLEEP** button to enter sleep mode.
  2. Press and release the **SLEEP** button to set sleep time. (5, 10, 15, 30, 45, 60, 75 or 90 minutes)
  3. Hold the **SLEEP** button to stop the sleep function at any time.
  4. Press the **SOUND** button to select your nature sound.
    - **N1** Morning birds
    - **N2** Forest
    - **N3** Waterfront
    - **N4** Rain storm

### Two Year Warranty (U.S.A.):

Equity products are warranted for two years from the date of consumer purchase against defects in material and workmanship. During this period such defects will be repaired, or the product will be replaced at Equity's option, without charge. This warranty does not cover damage caused by misuse or negligence. ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OR FITNESS AND MERCHANTABILITY, ARE LIMITED IN DURATION TO THE PERIOD ENDING ONE YEAR FROM THE DATE OF PURCHASE. Some states do not allow limitations on how long an implied warranty last so the above limitation may not apply to you. This warranty gives you specific legal rights and you may have other rights, which vary from state to state.

#### If your product is not working properly, please send:

- The product
- A letter explaining the problem
- and \$10.00 for postage and handling to:

Equity by La Crosse  
 Warranty Department  
 2830 South 26<sup>th</sup> St  
 La Crosse, WI 54601

**Note:** For best performance, the battery should be replaced at least once a year to maintain the best running accuracy. Ensure the battery used is new and the correct size. Clean the battery contact and also those of the device prior to installation. Please help in the preservation for the environment and return used battery to an authorized depot. Remove the battery from the clock if you do not intend to use for an extended period of time.
