

Warranty and Support

Equity provides a 1-year limited warranty on this product from the date of consumer purchase against defects for material and workmanship. During this period such defects will be repaired, or the product will be replaced at Equity's option, without charge. This warranty does not cover damage caused by misuse or negligence.

ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OR FITNESS AND MERCHANTABILITY, ARE LIMITED IN DURATION TO A PERIOD ENDING TWO YEARS FROM DATE OF PURCHASE.

Some states do not allow limitations on how long an implied warranty lasts so the above limitation may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from State to State.

If your product is not working properly, please send:

13" Quartz Wall Clock

Model: 46021

DC: 021920

Power up

1. Insert 1 fresh AA battery into your clock according to the polarity marking.
2. Rotate the Time Set Wheel to set your time.

Note: The quartz movement will keep the clock running accurately. If the clock does not operate, or steadily loses time, replace the battery.

Position

- Mount your clock on a wall using the hanging hole on the back of your clock.
