Made in China - Printed in China

LA CROSSE
CLOCK CO.

10 Inch Indoor/Outdoor Thermometer

Model: T80864
DC: 091219

THERMOMETER

- Your Thermometer is self-adjusting and does not need a battery to operate.
- Allow 24 hours for proper automatic adjustment.

Optional Manual Calibration:

1. Compare the thermometer to an existing thermometer with correct readings.
2. Place both thermometers indoors for three hours to adjust to the indoor temperature.
3. If the readings are not the same, turn the **entire calibration knob** on back of unit in the appropriate direction to re-calibrate the thermometer.

IMPORTANT: Do not twist or turn the metal piece as that is what reads the temperature.

Note: Factory calibration is the recommended setting. Manual adjustment is optional and only recommended if changes must be made.

SPECIFICATIONS

- Temperature Range: -60°F to 120°F

MOUNTING

- Choose a location that is not subject to direct weather elements.
- An ideal location is out of direct sun, on the north side of a building or in a shady spot.
- Hang the thermometer from a long nail or screw (not included).
