STOKKE XPLORY 6

Every inch of our height adjustable stroller is designed to bring your baby closer for bonding and connection. Intuitive design makes Stokke Xplory a dream to push.

Ultimate maneuverability of the chassis:

- Lockable swivel front wheels make it easy to maneuver in tight spaces
- Puncture free wheels require no maintenance
- Both handle height and angle can be adjusted for optimal ergonomics for parents of all heights
- Open design with space between the back wheels makes it easy for parents to walk
- Easy one-step foldable chassis
- Detachable shopping bag with carry handle. Can be extended to carry up to 5 kg/11 lbs (32 liters)
- Made of robust, scratch resistant and water repellent fabrics that are easy to wipe clean

Extra comfortable Carry Cot:

- Height adjustable- brings the baby closer to mom and dad
- Superior air ventilation in the base and a breathable mattress made with Sorona fibers
- Soft interior lining provides a comfortable environment for the baby
- Extended canopy with visor provides superior ventilation and protection from the elements
- Hinged carry handle for easy access to your baby
- Simple to use release function. Carry cot detaches from chassis with one-hand

- Removable wind cover for extra protection
- Easy access pockets for storage

Ergonomic Stokke Stroller Seat:

- Raises your child higher, promoting eye contact and connection
- 3 parent facing positions: sleep, rest and active, and 2 forward facing positions: rest and active
- The height adjustable seat can be set at various table heights allowing your baby to join the family at cafés and restaurants
- Hinged seat rail for easy access to your baby
- Softly padded, ergonomic seat with leg support.
- Includes a depth adjustable baby pad to accommo date even the smallest babies
- Extended canopy with built-in ventilation, also functions as a window to keep an eye on your baby
- Water repellent fabrics with UPF 50+ sun protection

Travel System:

- The Stokke® PIPA™ by Nuna® Infant Car Seat can also be used as part of a travel system with all of our strollers including without the use of adaptors. The car seat base is included with purchase.
- Stokke® offers car seat adaptors making it possible to use selected models of car seats made by other manufacturers
