Bacon & Leek Quiche

Serves 8

11.2 oz. (320g) pack shortcrust pastry

For the filling:

7 oz. (200g) bacon, chopped

2 leeks, white & tender green parts only, sliced

1 tsp. thyme leaves, chopped
salt & ground white pepper

3.5 oz. (100g) cheddar cheese, shredded

3 eggs

4 fl oz. (120ml) milk

3.9 oz. (110g) garlic & herb Philadelphia cream cheese, low fat

4.2 oz. (120g) Greek yogurt
chopped chives, to garnish

What you need to do

Preheat the oven to 400°F (200°C).

Roll out and line a 10" (25cm) tart tin with the shortcrust pastry and pre-cook/blind bake the pastry case for 10-15 minutes according to instructions on the packaging.

In a large skillet, cook the bacon over medium/high heat for around 7 minutes, stirring regularly until the bacon browns and is crisp. Remove the bacon from the skillet and set aside.

Drain off the excess fat from the skillet and add the leeks and thyme, season with salt and pepper. Cook over medium heat for 5 minutes, stirring occasionally, until the leeks have softened but are not brown. Transfer the leeks to a bowl and set aside to cool.

Once cool, stir in the crispy bacon and cheddar cheese, and spread the mixture evenly across the base of the pastry case.

In a bowl, whisk the eggs with the milk, cream cheese and Greek yogurt, and season with salt and white pepper. Pour the egg mix over the bacon and leeks and place the quiche into the oven to bake for about 30 minutes until the center has set.

Once cooked, transfer the quiche to a wire rack and let it cool for 15 minutes, before slicing and serving.

Spicy Veggie Huevos Rancheros

Serves 2

1 tbsp. olive oil
2 corn tortilla wraps
2 eggs
5.2 oz. (150g) black beans,
canned, drained
salt & black pepper
juice of ½ lime
½ ripe avocado, peeled &
sliced
1 oz. (30g) feta cheese,
crumbled
drizzle sriracha sauce

What you need to do

Add the olive oil to a skillet and place over high heat. Add a corn tortilla to the skillet and cook for 1-2 minutes on each side until it becomes crispy at the edges. Transfer the tortilla to a plate and repeat the process with the second tortilla.

While the eggs are cooking, take the drained black beans and place in a bowl. Season with salt and pepper and add a squeeze of lime juice. Lightly mash the beans with a fork. Spread the mashed black beans equally over the crispy tortillas. Place the cooked eggs on top of the beans.

Top the tortillas with slices of ripe avocado and sprinkle over the crumbled feta cheese. To serve, drizzle some sriracha sauce for a spicy kick, and squeeze over a little more lime juice.

Grilled Chicken Shawarma with Creamy Yogurt Sauce

Serves 6

What you need to do

For the marinated chicken:

- 2 lbs. (900g) boneless skinless chicken thighs, fat removed
- 6.3 oz. (180g) Greek yogurt
- 3 cloves garlic, minced
- 1 tbsp. coriander powder
- 1 tbsp. cumin powder
- 2 tsp. cardamom powder
- 1 tbsp. chili powder
- 1 tbsp. onion powder
- 1 tbsp. smoked paprika
- 2 tsp. sea salt
- 2 tsp. black pepper
- 1 tbsp. white vinegar
- 2 tbsp. lemon juice
- 4 tbsp. olive oil
- chopped chives, to garnish

For the sauce:

- 8.5 oz. (240g) plain yogurt
- 2 tbsp. cilantro fresh, finely minced
- 1 tbsp. dill fresh, finely minced
- 2 cloves garlic, minced
- salt & pepper to taste

Place the chicken thighs on a cutting board, cover with plastic wrap, and gently tenderize them using a meat tenderizer.

In a large bowl, or a sealable plastic bag, combine the chicken thighs with the remaining marinade ingredients and mix well to combine. Ensure the chicken thighs are well coated with the marinade.

Cover the bowl or seal the bag, and place the chicken in the refrigerator for 3-5 hours to marinate. Or, for the best results, marinate the chicken overnight.

Preheat the grill to medium-high heat. Grill the marinated chicken thighs for about 8-10 minutes on each side, or until they are thoroughly cooked through and are nicely charred, but not burnt.

While the chicken is cooking, make the yogurt garlic sauce by combining all the sauce ingredients in a bowl.

Once the chicken has cooked, slice and serve with the creamy sauce alongside, garnish with chopped chives.

Soba Noodles with Pork & Asparagus

Serves 6

3 tbsp. chili spice sauce (chili crisp)
4 tbsp. tahini
3 tbsp. tamari sauce
3 tbsp. rice vinegar
12 oz. (340g) dried soba noodles
7 oz. (200g) asparagus, trimmed, cut into 2" pieces
1 tbsp. olive oil
1 lb. (450g) ground pork, lean 5% fat
4 tbsp. green onions, thinly sliced
2 tsp. sesame seeds, to serve

What you need to do

In a small bowl, whisk together the chili spice sauce, tahini, tamari and rice vinegar to make the sauce. Set aside.

Cook the soba noodles in a large pot of boiling water until they are almost cooked, approximately 2 minutes. Add the trimmed and cut asparagus pieces, and continue to cook for a further minute until the noodles are al dente and the asparagus is still crisp and slightly tender. Drain the noodles and asparagus, reserving 1 cup of the cooking liquid. Rinse them under cool running water and set them aside. Also set aside the pot for later use.

Heat the olive oil in a skillet over medium-high heat. Add the ground pork and sauté for around 8 minutes until fully cooked through. Pour in the chili sauce and stir, scraping up the browned bits from the pan, cooking for 1 more minute.

Transfer the pork mixture, cooked noodles and asparagus to the reserved pot. Add $\frac{2}{3}$ cup of the reserved cooking liquid. Place over medium heat, and cook gently, stirring with a spoon and adding more cooking liquid if needed, until the noodles and meat are well coated, about 2 minutes.

Divide equally between 4 bowls and top with garnish of green onions and sesame seeds.

1.3 lbs. (600g) lean 5% fat ground beef
1 onion, chopped
3 cloves garlic, chopped
2x 14 oz. (400g) can diced tomatoes
1x 14 oz. (400g) can kidney beans, rinsed & drained

Next, add the diced tomatoes, kidney beans, tomato paste, bell pepper, chili powder, steak spice, and season with salt and pepper to taste. Stir the mixture and bring it to a boil, then reduce the heat to a simmer and cook gently for 10 minutes, stirring occasionally.

Add the cooked pasta to the mixture and stir until everything is well combined. Transfer the pasta and beef mixture into the greased baking dish and sprinkle over the cheddar cheese. Cover the baking dish with some kitchen foil and bake in the hot oven for 30 minutes. Then remove the foil and bake for an additional 10 minutes, or until the cheese is bubbly and golden.

Chinese Beef Zoodle Soup

Serves 6

1.5 lbs. (680g) beef chuck roast, cut into 1½ inch cubes
4.2 pts (2 ltr) water
2 tbsp. fish sauce
3 tbsp. tamari sauce
1 tbsp. salt + ½ tsp, extra
7 oz. (200g) shiitake mushrooms, sliced
2 inch piece fresh ginger, peeled & sliced
3 garlic cloves, smashed
4 green onions, divided
1 lb. (450g) baby bok choy cut lengthwise
½ tsp. sesame oil
1½ lbs. (680g) zucchini, spiralized
sesame seeds, to garnish

What you need to do

Place the beef chunks into the metal insert of the Instant Pot. Add the water, fish sauce, 2 tablespoons of tamari sauce, 1 tablespoon of salt, shiitake mushrooms, sliced ginger and garlic. Cut 2 of the green onions into 3 pieces and add them in.

Thinly slice the remaining 2 green onions and set them aside for garnish.

Lock the lid of the Instant Pot and set it to cook on high pressure for 35 minutes. When finished, allow the pressure to release naturally.

While the beef soup is cooking, bring a pot of water to a boil and add ½ teaspoon of salt. Add the baby bok choy and cook for 1-2 minutes or until it's tender-crisp. Remove the bok choy with a slotted spoon and set it aside.

When ready to serve the beef noodle soup, open the Instant Pot and discard the ginger, garlic, and green onions. Take out the shiitake mushrooms, cut off and discard the stems, and slice the mushrooms. Set them aside.

Use a slotted spoon to transfer the stewed beef to a bowl. Toss the meat with the remaining tablespoon of tamari sauce.

Add the sesame oil to the beef soup, taste the soup and adjust the seasoning if necessary.

Divide the spiralized zucchini between 6 soup bowls and ladle over the broth. Top each bowl with the seasoned beef, sliced shiitake mushrooms and the cooked bok choy. Scatter over the remaining sliced green onions and serve, topped with sesame seeds.

To cook on stove top:

Simmer the beef and soup ingredients in a large covered pot for 2-3 hours, until the beef is fork tender.

Keep checking the soup to ensure not much of the liquid has evaporated and add more water as needed.

Once cooked, finish the soup as detailed above.

Ginger & Honey Salmon en Papillote

Serves 4

4 tbsp. tamari sauce
4 cloves garlic, chopped
1 tbsp. honey
1 tsp. toasted sesame oil
8 green onions
1 red bell pepper, thinly sliced
1 green bell pepper, thinly sliced
1 x 3" (8cm) piece fresh ginger, peeled & sliced into thin matchsticks
¼ tsp. salt
¼ tsp. black pepper
4x 6 oz.(170g) salmon filets
1 tbsp. sesame seeds

What you need to do

Preheat the oven to 350°F (180°C).

Cut 4 x 12" (30cm) squares of parchment paper. Fold each square in half, then cut a heart shape out of each square, using as much parchment as possible.

In a microwave-safe bowl, whisk together the tamari sauce, garlic, honey and toasted sesame oil. Microwave this mixture on high for 30 seconds.

Chop 6 of the green onions into 2" (5cm) pieces. Place the green onion pieces, red and green bell peppers and ginger on one side of each parchment heart. Sprinkle them with salt and black pepper.

Place a salmon filet on each heart, on top of the vegetable mixture. Spoon 2 tablespoons of the tamari sauce mixture over each salmon filet and then sprinkle over the sesame seeds.

Fold the parchment hearts closed and crimp the edges to seal the packets. Place the packets on a baking sheet and bake the packets in the hot oven for 12-15 minutes, until they are slightly puffed and the salmon flakes easily with a fork. Open 1 package to check the salmon is cooked.

While the packets are baking, thinly slice the remaining green onions.

To serve, open the packets at the table and top each with the sliced green onions.
