## Instructions

The pages are set to print at A4 size. Make sure to select fit to page. If you want only the colour printables print pages 3-5 (or 3-6 if you still want the colouring page). For the colouring in versions print pages 6-9

For your egg hunt simply print and cut out the clue eggs and shapes. Fill in the blanks on the clues on the eggs to suit your hiding spots.

For the bunny ears print and cut out the separate pieces then glue where instructed.

They will work best printed on card.

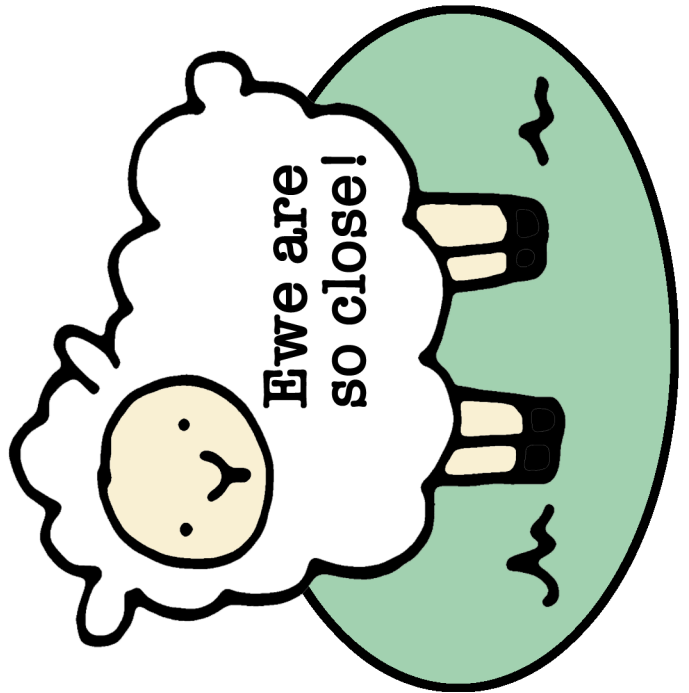

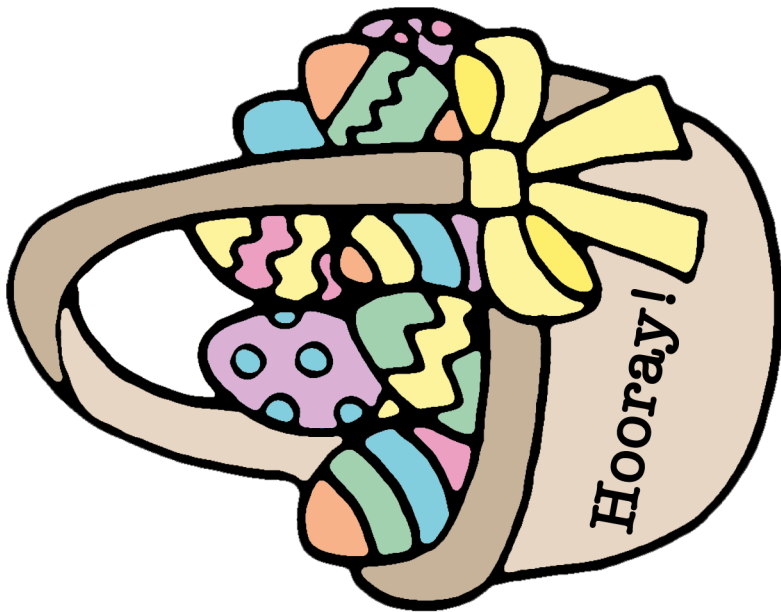

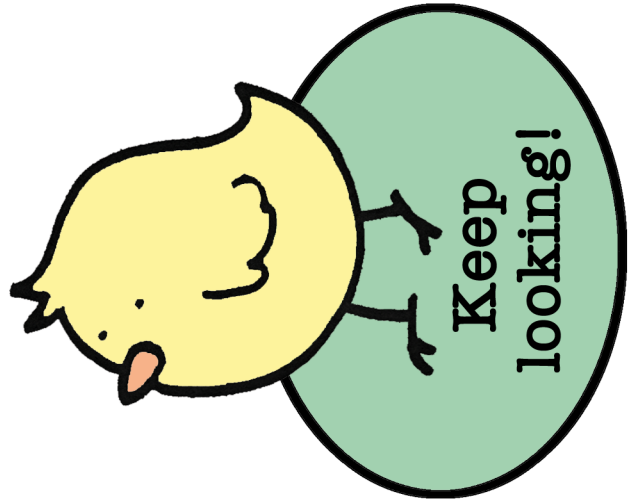

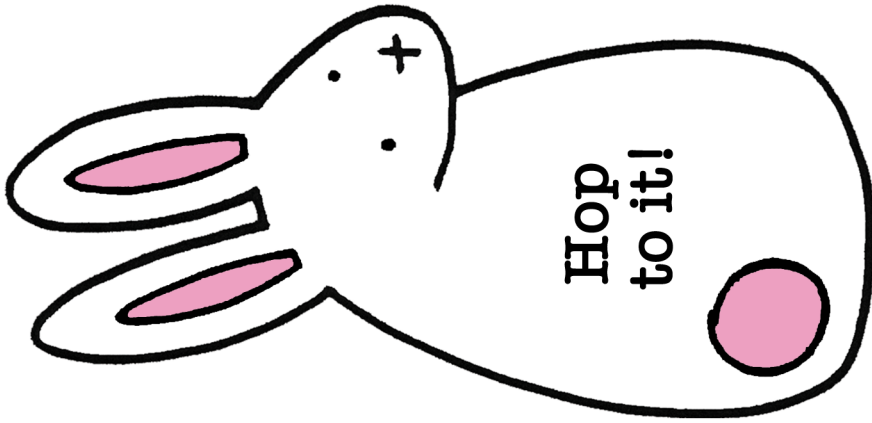

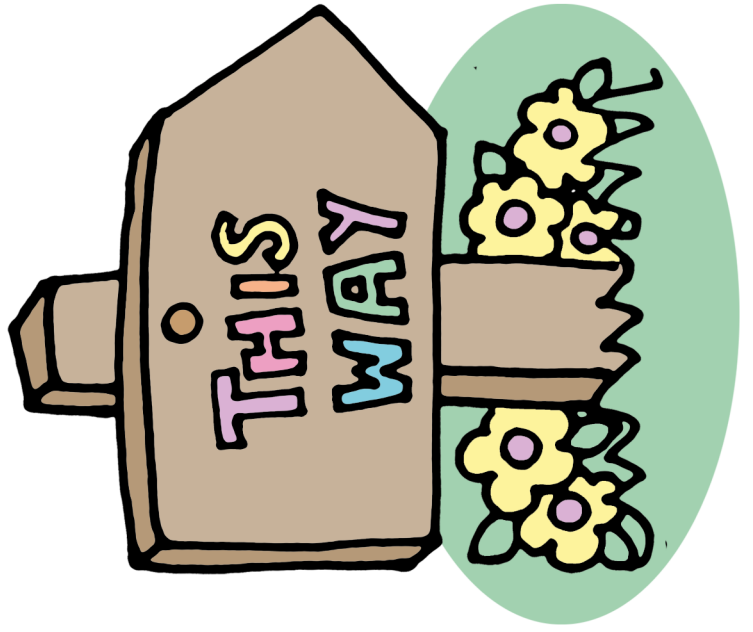

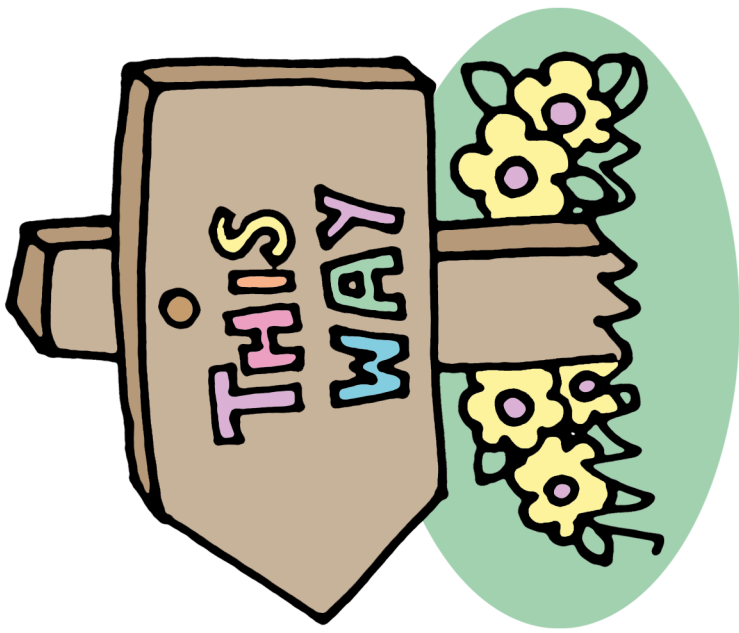

If you don't have card but want to make them thicker you can stick them on any spare bits of cardboard you have around the house - cereal boxes will work perfectly for this!

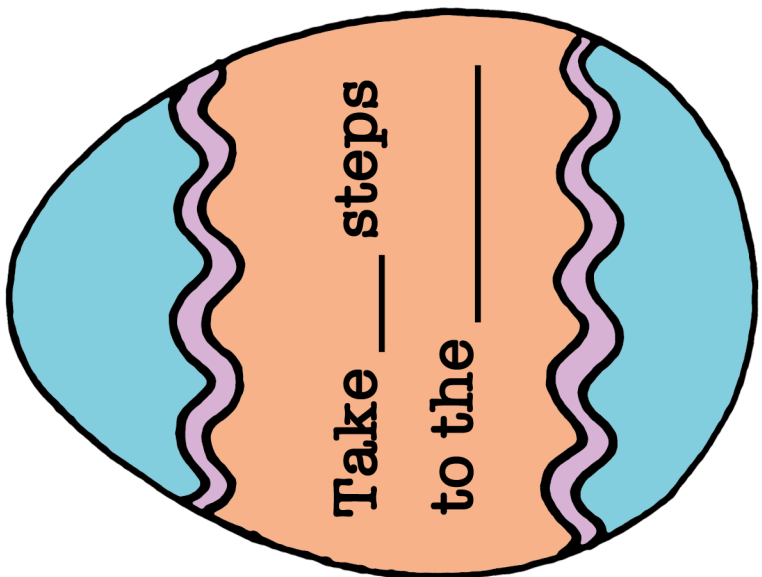

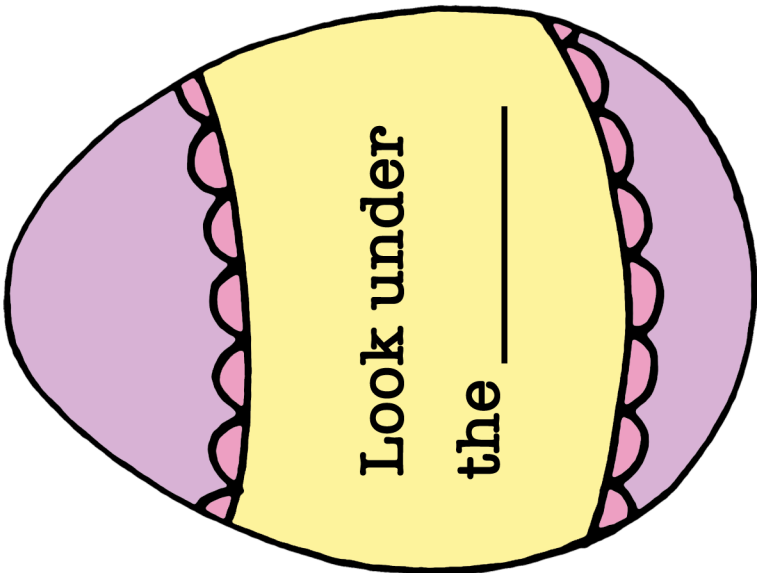

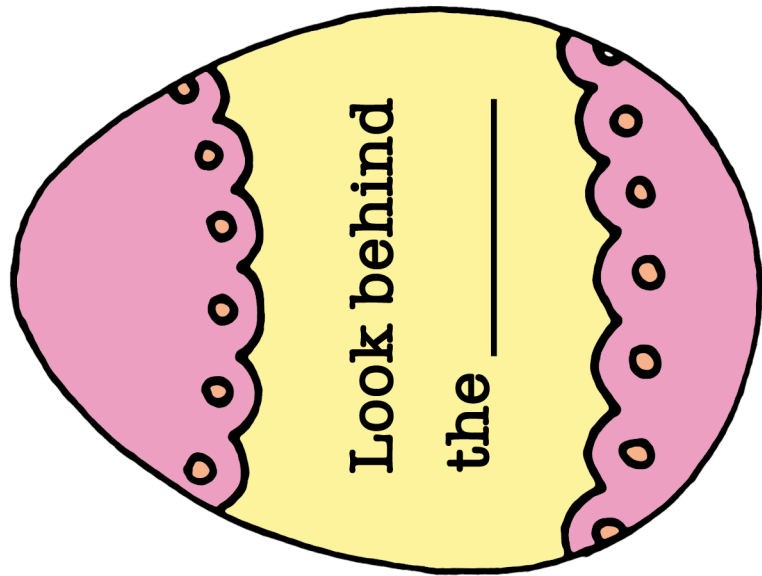

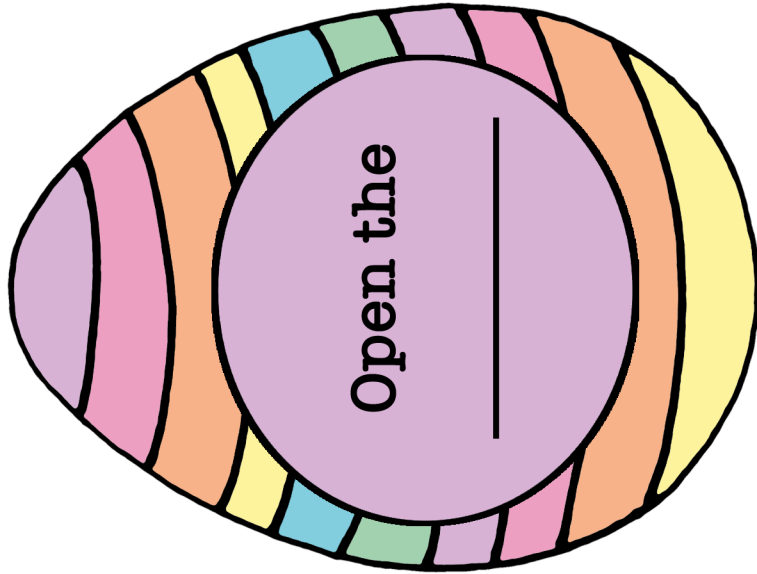

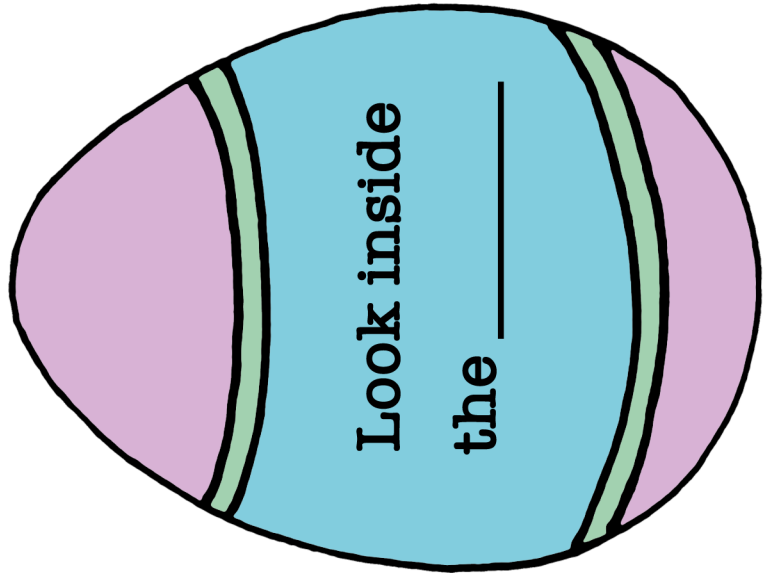

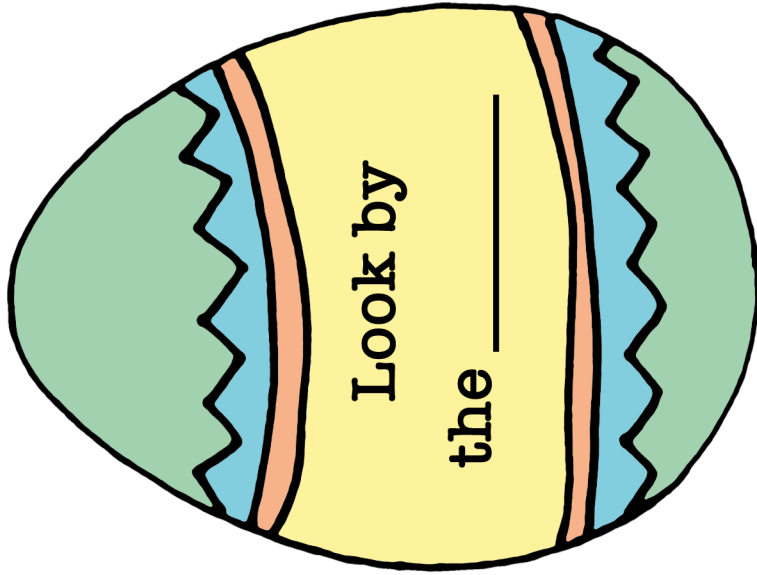

We'd love to see you enjoying these activities.
