

# Leg Assembly Instructions For Enclosed Pedestal Board

ABC COMPANY 127  
KEHRES INC. 135  
SANDRES CORP. 146

Before using your new Enclosed Pedestal Board, please follow the leg mounting instructions below. The Enclosed Pedestal Board comes partially assembled in three pieces.

## Parts Included:

Pedestal Board  
Left foot with attached brace  
Right foot with attached brace

## Tools Needed:

Phillips Head Screwdriver

## Leg Mounting Instructions:

1. Remove the Pedestal Board, Left foot, and Right foot from the protective packaging.
2. Lay the Pedestal Board face up on a flat surface.
3. Identify the left and right foot pieces. (Refer to Figure 1)
4. Locate the three screws attached to each leg of the Pedestal Board. Use these screws to attach the feet to the main Pedestal Board:
  - a. Using a Phillips screwdriver, remove the screws from the left leg of the Pedestal Board.
  - b. Locate the three holes on the side of the left foot piece.
  - c. Attach the left foot to the left leg of the Pedestal Board using the three screws removed in Step A. (Refer to Figure 2)
  - d. Repeat Step 4 to attach the right foot.
  - e. Tighten the screws firmly.
5. Rear braces need to be reconnected on the back of each leg. (Refer to Figure 3)
  - a. Remove the screw from the left rear leg.
  - b. Line up the brace with the hole on the left leg and reconnect with the screw. **DO NOT over tighten screws to avoid stripping the holes.**
  - c. Repeat Step 5 on the right side.
6. Stand completed unit upright. (Refer to Figure 4)
7. Remove protective sheet from board face.
