

Wall Mounting Newspaper Frames

Back View of Frame

Step 1

Measure where you want the top of the frame to be positioned. Drill hole in wall and put hook into wall.

Step 2

Place Newspaper Frame onto hook.

Step 3

To insert newspaper, remove liner from Repositionable Adhesive Tapes that are provided for the corners of the newspaper. Then simply place newspaper and remove and change as needed.

Simple hand tools required: Level, Pencil, Drill, Phillips Head Screwdriver
