

**BST-560**

**BST-560**

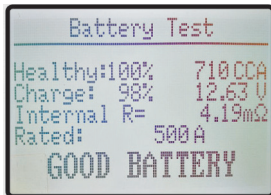

**BST-560 Tests Available: Ripple Detection, Battery Test, Starter Test, Charging System Test, Voltage Test.**

## Features

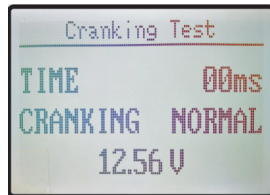

- | Battery Health with available CCA
- | Vehicle starting voltage detection
- | Low Voltage Battery Test (Able to test low to 8V)
- | Supports Multiple Languages
- | Displays Battery Internal Resistance
- | Displays Available CCA
- | State of Charge Percentage
- | Back Lit display
- | In Vehicle testing Capability

## Specifications

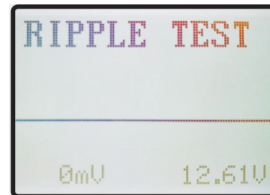

- | Android 6.0
- | 1.0GHz Quad-Core Processor
- | 1G Memory
- | 16G HD, Extended Micro SD(TF)Card up to 32G
- | 3450mAh Polymer LithiumIon Battery
- | 7" Color Capacitive Touch Screen
- | Support Wi-Fi Network
- | Support BT 4.0 GPS
- | Support Camera Shooting
