

## ORC-T1-T2-32A-78

<b>Rated current:</b>	32A 1P
<b>Rated voltage:</b>	250VAC
<b>Ambient temperature:</b>	-30°C to +50°C
<b>Insulation resistance:</b>	≥500mΩ at normal temperatures and in accordance with SAE J1772-2017 under hot and humid conditions.
<b>Resistance voltage:</b>	After being tested at a voltage of 2500V AC between L1, N and PE for 60S, the leakage is < 5mA.
<b>Protection level:</b>	IP54
<b>Flame retardant rating:</b>	UL94 V-0
<b>Mechanical Life:</b>	> 10000 times of plug in/ off Insertion and withdrawal force (unlocked): < 100N
<b>Enclosure material:</b>	Thermoplastics (PC)
<b>Terminal material:</b>	Silver-plated copper alloy
