

Equipment limited warranties

The Company warrants that all new equipment is free of manufacturing defects in workmanship and materials, subject to the terms below. This warranty becomes effective at the invoice date of the original purchase. Parts repaired or replaced under the terms of this warranty will be warranted for the remainder of the original warranty period. It is the purchaser's responsibility to notify the Company of any change of contact information. This will ensure that in the unlikely event of a replacement or safety notice, the company will be able to contact you immediately.

This warranty applies to equipment:

- While equipment remains in the possession of original purchaser and proof of purchase is demonstrated
- If claims are made within the part-specific warranty period.
- If upgrades are made as required by the Company

This warranty shall be null and void if:

- All safety, maintenance and usage guidelines as specified in the appropriate equipment manuals are not followed
- The equipment is used for any other purpose other than as intended, or is stored or used outdoors, or in environments without adequate climate/humidity controls
- An At Home SPX® Reformer is used in Pilates studios, fitness or health clubs, gyms, spas, or any other type of commercial fitness facility offering fitness services to the public
- The equipment has been subjected to accident, misuse, abuse, improper service, or any modification not authorized by the Company

Failure to change springs on spring-loaded equipment (Reformers, Cadillacs, Chairs, Tower Trainers™, Wall Units, Spring Walls™, etc.) every two (2) years may void this warranty. This warranty does not cover damage to the finish of any equipment nor shipping charges, customs clearance fees (if applicable), or any costs incurred in installing repaired or replacement parts shipped under the provisions of this warranty.

At its option, the Company will repair or replace warranted parts, provided that any such failure is due to a defect in workmanship or materials and provided that such failure occurs and is reported to the Company within the part-specific warranty period.

Commercial Reformers

SPX® Max, V2 Max™ (formally the Professional Reformer), SPX® Max Plus™, V2 Max Plus™ and Rehab V2 Max Plus™ Reformers:

- Limited lifetime warranty on aluminum rails, components of the frame and related welding and Footbar mechanisms (excluding Comfort Footbar).

Club SPX® Reformer:

- Two (2) Year Limited Warranty on aluminium rails, components of the frame and related welding and Footbar mechanisms (excluding Comfort Footbar).

At Home Reformers

At Home SPX® Reformers:

- Limited lifetime warranty on aluminum rails, components of the frame and related welding and Footbar mechanisms (excluding Comfort Footbar). This warranty shall be null and void if an At Home SPX® Reformer is used in Pilates studios, fitness or health clubs, gyms, spas, or any other type of commercial fitness facility offering fitness services to the public.

- Ninety (90) day limited warranty on upholstery. See below for conditions of warranty.
- Two (2) year limited warranty on all other components.

Tower Trainer™

- Limited lifetime warranty on the components of the frame and related welding.
- Ninety (90) day limited warranty on upholstery.
- One (1) year limited warranty on straps and spring clips.
- Two (2) year limited warranty on all other components.

Equipment fabric and upholstery

- Ninety (90) day warranty. The fabric or upholstery on Merrithew equipment will be replaced if it fails to give normal wear for 90 days after delivery. Proof of damage may be required. This warranty does not cover cuts, burns, stains, soiling, pet damage, damage to fabric caused by abrasive, corrosive or chemical cleansers, or damage caused by other unreasonable use. If the identical fabric is not available, the Company will provide an equivalent fabric.
