

QUICK START GUIDE WOLF 1834 COLLECTION

Before you plug in your winder, ensure that you have followed the steps to secure it to the wall (free standing designs). Once you have securely affixed the winder, follow the below steps:

1. For Apple devices, go to the App store. For Android devices go to the Google Play store

QR code to
download the
App on your
IOS 9 or
above device

QR code to
download the
App on your
Android 6 or
above device

2. Search "WOLF1834" & download the App
3. Plug in & turn on the winder; lights will illuminate
4. Launch WOLF1834 App & press "SCAN" to access your winder
5. Tap the winder icon. There will be a pause as the Bluetooth connects your phone to the winder
6. Tap again & enter the default password, "0000"
7. Control your winder from this screen. To select a particular module, tap "CHOOSE MODULE"
