

# Clamp

## Replacement Instructions

(#2, 4, 7, 9, 11, 13, 58, 60, 63, 65, 67, 69)

**What's Included:**  
**Clamp, 2 screws (extras included)**

**Tools Needed:**  
**Phillips head screwdriver**

1. Remove the two screws from the Clamp that is currently on your footlocker. Discard.
2. Position the replacement Clamp in the same position as the piece you just removed. Screw in each of the new screws.
