

TC10PCE

INDOOR EVAPORATIVE COOLER

Mimic the comfort of a cool lake breeze in your home with this slim spot cooler, built to cool your immediate area. Couch, bed, workspace, breakfast nook - the unit is compact and easily portable for personal evaporative cooling.

SPACE-SAVING, EFFECTIVE TOWER DESIGN

Choose from three speeds for custom cooling. The washable dust filter and easy-access honeycomb cooling media make for easy upkeep, while the remote control lets you control the unit from across the room. This tower design with oscillating louvers allows for the airflow to be distributed evenly, while the slim design makes it convenient to fit comfortably into even more compact spaces.

Product Dimensions (mm): 294 (W) x 279 (D) x 752 (H)
Net Weight: 5.1kg

WATER FILL DOOR

For easy refilling
