TOWER QS

The WINIX TOWER QS Air Purifier combines Clean Air with Superior Sound by JBL with a 16 Watt Bluetooth speaker. It is best used for rooms up to 90m² and uses a 4-stage filtration system with a 360° All-in-One Filter and is ready to capture Fine-dust(PM2.5), Pollen, Pet Dander, Smoke, Mould Spores, VOCs and Household Odours. Smart Sensors constantly monitor Air Quality to deliver Set-and-Forget convenience for the consumer. The WINIX TOWER QS is for those who care about the best clean Air and the greatest Sound.
