## Cheerble Smart Deodorizer

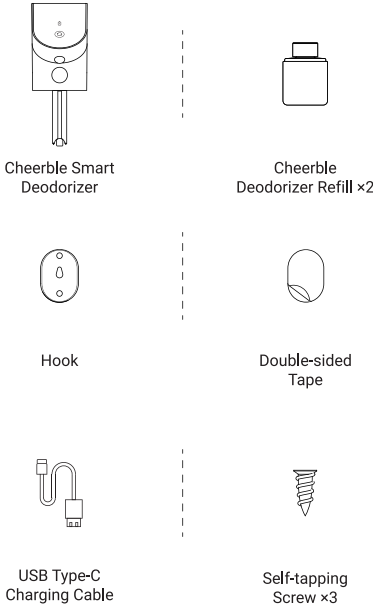

EN

### CAUTIONS

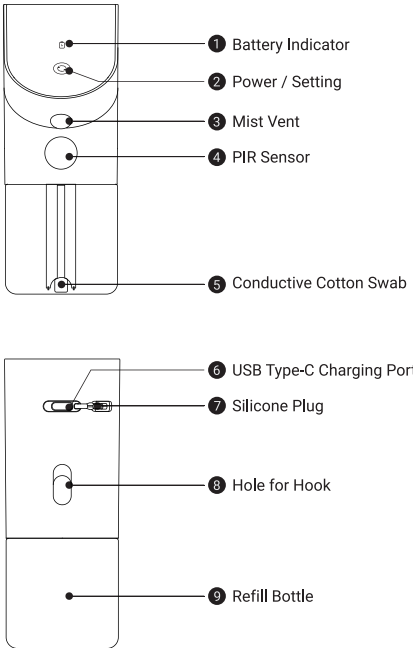

Thank you for purchasing and using the Cheerble Smart Deodorizer. For your safety and benefit, please carefully read this manual and accompanying materials before installing and using this product. If any personal injury, property damage, or other losses occur due to improper operation, the company shall not be held responsible.

1. Please check the product for damage before use. If the product is incomplete, please stop using it immediately to avoid injury.
2. Do not invert or immerse the product during use to avoid short circuit accidents.
3. When installing or replacing the Cheerble Deodorizer Refill, please keep your mouth and nose away from the mist vent to avoid discomfort.
4. The Cheerble Deodorizer Refill is not drinkable. Please prevent pets from licking the liquid inside the device.
5. In case of accidental contact with your eyes, please rinse them immediately with water.
6. The Cheerble Deodorizer Refill should be kept away from fire sources and should be used with caution by pregnant women and children.
7. A very small number of pets may be allergic to the Cheerble Deodorizer Refill, please stop using it immediately if they experienced any allergies.
8. Please store the spare parts properly to avoid accidental ingestion by children or pets.
9. Please use it with Cheerble Deodorizer Refill. Do not use any liquids other than "Cheerble Deodorizer Refill".

### IN THE BOX

### COMPONENTS

### HOW TO FILL

- Step 1**
- Remove the cap of the bottle the Cheerble Deodorizer Refill by rotating it anticlockwise, and then tear off the sealing film at the mouth of the bottle.
- Step 2**
- Align the Cheerble Deodorizer Refill bottle with the underside of the Cheerble Smart Deodorizer and screw it to tighten.
- Tips**
1. Please check liquid levels regularly. Replace the liquid or turn off the device when it's low.
  2. The distance from the bottom of the bottle to the surface of the cat litter should not be more than 15 cm / 6 in, as it may affect the deodorizing effect.
  3. Before use, please ensure that the surface is wiped clean, dry, and free of dust.

### INSTALLATION

- Step 1**
- Fasten the Cheerble Smart Deodorizer on the hook and mark the position where it needs to be fixed with a pencil.
- Step 2**
- NO DRILLING INSTALLATION** Tear off the the other side of the double-sided tape, then press the hook firmly to the inner wall for 3~5 minutes.
- OR DRILLING INSTALLATION** Fix the hook in the corresponding position and tighten the screws.
- Step 3**
- Hang up the Cheerble Smart Deodorizer and the installation is complete.

### QUICK START GUIDE

Turn on and select a mode.

- 
- ON / OFF**  
\*Press and hold the button for 3 seconds
- Mode Selection**  
\*Press the button once to select the mode

- damages whatsoever arising out of or connected with the use or misuse of this product.
- 5. Modification of Terms and Conditions**
- Shenzhen Cheerble Technology Co., Ltd. reserves the right to change the terms, conditions and notices governing this product from time to time. If such changes have been notified to you prior to your use of this product, they shall be binding on you as if incorporated herein.

### FCC COMPLIANCE

- This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
- Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
  - Increase the separation between the equipment and receiver.
  - Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
  - Consult the dealer, or an experienced radio/TV technician for help.
- Changes or modifications to this equipment not expressly approved by Shenzhen Cheerble Technology Co., Ltd. could void the user's authority to operate the equipment.
