

## BEER TOWERS

### COBRA TOWER

This Talos tower has a distinctive look resembling that of a Cobra, hence the name. Additionally it has a slick curved neck, but still able to maintain the perfect form that allows the perfect pouring angle when adding the tap of your choice. Professionally crafted with brass material through a gravity mold to ensure quality with every tower. Our "Cobra" tower also utilizes a 304 Food Grade Stainless Steel Tube for circulation and for an added aesthetic.

Three-way
