Elcometer

Elcometer 270-4 Pinhole

Pine Item #54255

DESCRIPTION:

The Elcometer 270 Range utilizes the wet sponge technique and has been designed to set a new standard for wet sponge detectors - namely, a high quality, low voltage detector with similar accessories to a high voltage spark tester.

FEATURES:

- Automatic gauge calibration check & low battery indicator
- Simple accurate & very versatile pinhole tester
- Wide range of accessories available to meet all your pinhole detection requirements
