Mavicap

Mavicap Frame Storage

Pine Item #

DESCRIPTION:

The Sony Mavicap can be used in any country or areas with the supplied AC power adaptor within 100V to 240V AC, 50/60 Hz. The operator can record images from TV, video equipment, video game etc., on a floppy disk in the form of a still image. The number of images you can record is different depending on image quality and subject complexity.
