WINEMAKER	ALCOHOL	PH
Heather Stewart	13%	3.41
RESIDUAL SUGAR	ACIDITY	
3.3g/L	5.9 g/L	Vegetarian Friendly

FROM THE LAND:

The fruit was sourced from a selection of vineyards across Marlborough's Wairau and Southern Valleys.

A combination of Chardonnay clones were carefully selected, made up of predominantly Clone 6.

Each vineyard was carefully monitored and the grapes harvested upon reaching the desired flavour spectrum and maturity.

TO THE WINERY:

2020 was a fantastic vintage, with a small crop of intensely flavoured grapes.

The grapes were machine harvested and transported promptly to the winery to be lightly pressed.

The juice was lightly settled, racked, then cool fermented with selected yeasts in stainless steel tanks and seasoned oak.

After malolactic fermentation, the wine was aged for nine months prior to Heather selecting her preferred blend for bottling.
