WINEMAKER	ALCOHOL	PH
Heather Stewart	9.5%	3.36
RESIDUAL SUGAR	ACIDITY	
8.81g/L	8.5 g/L	Vegan Friendly

FROM THE LAND:

Sourced from carefully selected vineyards within the Marlborough region.

The 2023 vintage started with warm spring weather resulting in early flowering within our Delta vineyards.

The growing season had higher levels of rain that cleared up early April, at this time the wind picked up, drying the fruit and leaving behind disease free grapes with intense tropical flavours.

TO THE WINERY:

Harvested at peak flavour maturity from a selection of Delta vineyards. Gentle juice extraction, cold settled and fermented in cool stainless-steel tanks.

The fermentation was halted once this sauvignon Blanc had reached its desired alcohol levels.

Heather carefully selected her preferred blend prior to final bottling.
