### FROM THE LAND:

This fruit was sourced from a selection of vineyards from Marlborough's stunning Southern Valleys.

Each vineyard's yield was managed carefully and fruit was monitored throughout the ripening season.

### TO THE WINERY:

The grapes were harvested in the cool of the morning at optimum flavour maturity. The juice was extracted at the optimum colour and flavour after

just a few hours of cold soaking.

Selected yeast strains were used for the primary alcoholic fermentation.

Once fermentation was completed the wine was left on light lees for a short period, prior to careful blending and bottling.

### FLAVOURS AND FOOD:

The 2020 River Delta Pinot Noir Rosé has rich aromas of black cherry, dark fruits and wild blackberry bramble. Drinking well now and will continue to impress for the next 5 years.
