VELVET

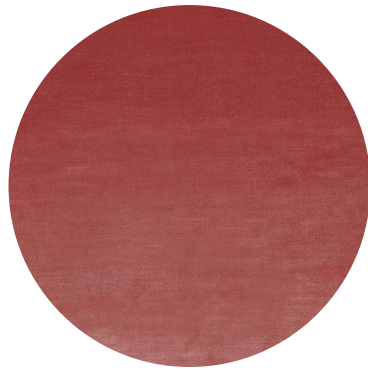

FRENCH DENSE PILE VELVET

Viscose/Cotton pile velvet with a slubbed yarn weft giving it irregularity. Piece-dyeing using reactive dyes gives an irregular finish. High density Luminous pile with a very slight moiré effect and aero finish.

CHENILE

SHEARLING CHENILE

Cheviot is a subtle, low pile shearling-look, chenille construction that will marry effortlessly with modern curvaceous pieces. This inviting design creates an abundance of warmth and comfort, and is built on FibreGuards stain resistant technology.

WOVEN CHENILE

Monte Carlo is a high performance chenille fabric with a lovely two toned textural finish. The irregularity of the speckle gives a fun playful look.

CUSTOM

CUSTOM FABRIC

Please contact us for custom upholstery options.

*More colours available in the proposed fabric ranges. This velvet is prone to bruising if not handled with care, the overall effect has a strong patina that would change with time.
