### REPOTTING MADE EASY

This clever tarp by RT1home is made from marine-grade woven poly fabric and is designed for repotting your plants in small spaces. Measuring 68cm x 45cm, it's small enough to fit easily on countertops, tables or the floor. Once you're finished, simply roll it away for easy storage. Priced at \$115 and available in black or white.

## WHAT'S NEW

Fox & Ramona have produced an exclusive collection of botanical wares for furniture retailer Life Interiors. Handcrafted in Melbourne, this range of concrete pots and planters was designed in line with the Life Interiors aesthetic – think simple forms and a considered colour palette. Given the nature of handmade products, no two pots are the same. Large 55cm-high planter (pictured) priced at \$240. [lifeinteriors.com.au](http://lifeinteriors.com.au)

The Plant Runner's indoor plant food (\$12) acts quickly to give your plants the nutrients they need – plus, it's virtually odourless. Finish your plant care routine with their neem oil (\$18) to keep foliage looking lush and dust-free.
