## LED 2 Head Flood Security

Integrated long-life LED technology in an affordable, energy saving security lighting solution. Provides maintenance-free general and security illumination for outdoor use in residential and light commercial applications. Bright, uniform illumination is ideal for walkways, yards, patios, parking areas, driveways, and egress easements creating an inviting exterior space as well as providing safety and security.

## Features

Constructed of durable aluminum. The IH2FL provides a dual array motion sensor with 180° detection with up to 70 feet forward range and additional downward perimeter protection for added security. Sensitive and on-time adjustable knobs provide precision control, and the sensor has a manual override option. An integrated photocell prevents activation during the sunlight. Recommended for outdoor use.

## Construction

Two tool-free adjustable heads allow for easy aiming up/down or side to side. Rugged cast aluminum, corrosion-resistant housing in bronze or white. Clear acrylic lenses are fully gasketed to keep out moisture, dirt, and bugs.

## Electrical

Equipped standard with 120V fixed output driver, operates at 60Hz.

## Certification

Rated for outdoor installations, -40° F minimum ambient temperature.

## Warranty

5-year limited warranty. See complete warranty for terms and conditions (labor not included.)
