# DUO

MULTI SYSTEM CAPSULE MACHINE

NESCAFÉ  
Dolce  
Gusto

Elegance, class, sophistication; just a few things that come to mind when making an Espresso from this beautiful machine. The new **Cafféluxe Duo Multi System Capsule Machine** is the only system that accomodates **\*DOLCE GUSTO® AND \*NESPRESSO®** capsules for your convenience. Now you can enjoy barista quality drinks from both systems.

The **Cafféluxe Duo Multi System Capsule Machine** delivers a rich, aromatic espresso within seconds. Using a high pressure pump, the Duo crafts an intensely flavoured espresso, topped with a signature crema. Foamy cappuccinos, dark americanos or velvety espressos, the Duo makes your coffee, your way.

Programmable to remember your preference, your personal barista consistently delivers coffee of the highest quality with every cup.

## UNIQUE FEATURES:

- Compatible with **\*Nespresso® & \*Dolce Gusto®** capsules.
- Removable 600ml water tank.
- Programmable & automatic volume control.
- Input and eject capsule manually.
- Removable drip tray.

Power:	1450W
Water Capacity:	600ml
