CARE & USAGE

ENGLISH

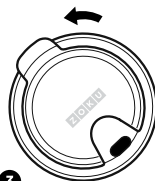

The Zoku Stainless Steel Tumbler has a unique 3-in-1 lid to match any drinking style. With vacuum insulated construction, it's the perfect companion to your hot or cold beverage.

1 Twist lid to expose silicone straw opening

2 Twist the lid to the center to avoid accidental spills

3 Twist lid to expose opening

CARE & USAGE

- Clean your tumbler and 3-in-1 lid by hand with warm soapy water before first use. Avoid cleansers with bleach, chlorine or abrasives.
- TUMBLER AND LID ARE NOT DISHWASHER SAFE.
- Wash Tumbler and lid by hand with soap and warm water. Store with lid off to allow components to dry completely between uses.
- If filling with hot liquid, allow liquid to cool down with

the lid off for at least 4 minutes before attaching the lid. Failure to do so may result in risk of burning.

- Make sure that the lid is secured and pressed down firmly before drinking.
- The lid is designed to be spill resistant. It is not leak-proof. Hold the tumbler upright when you're on-the-go and do not store inside a bag.
- Although steel is durable, strong impact or dropping may damage and deform the tumbler, preventing it from retaining temperature.

⚠ CAUTION

This 3-in-1 Tumbler is designed to hold liquids that may be hot enough to seriously burn you, use caution while drinking hot beverages.

- Do not overfill; keep hot liquids out of children's reach.
- Do not microwave or heat on stovetop or open flame.
- Do not freeze or use dry ice.
